

Product Code: 7913 Sector: Classic

Issue No: 1

Issue Date: 03/09/20

## CLASSIC PISTONEEZE 20w50

A moderate detergent premium SAE 20w50 multigrade mineral engine oil.

### Application

Use as received for engine lubrication of primarily pre 1980 vehicles, both petrol and diesel, which were developed on the multigrade oils of their time.

### Performance Profile

API SG, SF

### Suitable for

This product is a moderate detergent premium SAE 20w50 multigrade mineral engine oil. High quality solvent refined base oils with latest technology performance additives and shear stable viscosity index improver. It is specifically engineered for classic cars incorporating modern filtration systems. It is formulated with ZDDP (zinc/phosphorus).

### Features & Benefits

- Incorporates modern additive technology with period viscometrics to provide the optimum lubrication characteristics.
- Suitable for higher mileage applications where oil consumption is a problem as high viscosity helps to reduce oil loss and leakage.
- The modern technology ensures an oil which will meet up to date specifications along with meeting the 'period' performance requirements.

### Typical Characteristics

Density @ 15°C, g/ml	0.890
Kinematic Viscosity @ 100°C, cSt.	17.9
Flashpoint, °C	>200

### Technical & Health and Safety
